

Little Monkey

This book is about a little red monkey that wants to play with someone but everyone is busy, until one orange monkey asks 'Hi, can I play with you? I brought my friends too!' the little red monkey happily nods and says, 'Yes, I would love to!' They climbed up the tallest tree, swung around, and chatted together. They were over the moon. They became best friends forever.

When I was small, my mum bought this book for me to read together at bedtime. Before, I did not know what was happening in the story, I thought the little red monkey was sad and nobody wanted to comfort him so I cried a bit while sleeping. Now, I look back, it's a sweet and heartwarming bedtime story.

I love this book.
