

Going on a Picnic

Kimmy goes to the park for a picnic. She is with her family. They have a picnic basket. There are some sandwiches, salad and fruits.

They put down the picnic basket and sit under a big tree. They eat sandwiches and hotdogs happily.

After lunch, Mum and Dad take a rest. Kimmy and her sister run and play together. In the end, they go back home. They feel tired but happy. What a great day!
