

Dad's Birthday

Ben and his mum are in the cake shop in Tai Po. They want to buy a cheesecake because it is his dad's birthday.

They go back home happily. They want to prepare the cake for Dad. When Dad arrives home, Ben gives a present to his dad. It is a red tie. Dad loves the tie very much.

Then they eat the yummy cake and watch a movie, Charlie and the Chocolate Factory, together. It is touching and funny. They are over the moon about the day.
