My Classmate

My classmate's name is Gordon. He is eight years old.
He lives in Tai Po.

He is tall and thin. He has black eyes and black hair.
His hair is short. We go to Tai Po Government Primary
School. He sits next to me in the class.

He likes to eat sushi but he doesn't like to eat cakes.
His favourite colour is yellow. He likes to play with toys.
I think he is nice and funny. I like Gordon because he
helps me.
